# USING GEORGIA'S SLDS PARENT PORTAL TO VIEW GEORGIA MILESTONES ASSESSMENT RESULTS

All parents have access to your child's historical academic data through the Georgia Statewide Longitudinal Data System (SLDS).
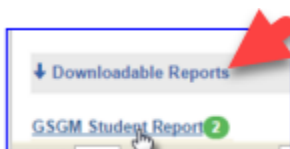

How do I access my child's information in SLDS?

SLDS can ONLY be accessed through your Infinite Campus Parent Portal account. (If you need assistance accessing your Parent Portal, call Central Registration at 229-387-2424)

• In the Parent Portal, select **MORE** from the menu on the left then select **SLDS Portal**

- If you have more than one child you can select each child from the dropdown menu.
- Click on Performance to view Attendance History, Lexiles, and Georgia Milestones Test Results)

• To see your child's Individual Student Report on the Georgia Milestones Assessment, click on **Downloadable Reports** in the Performance Section.

A complete guide to using the SLDS Parent Portal is available on the GADOE website at:
