If the contractor fails to

## **Bid Guarantee**

1. Each bid must be accompanied by a bid bond, cashier's or certified check for a minimum of five percent (5%) unless a greater percentage is specified by the board for NA percent (NA%) of the amount of the annual contract cost. Evidence of the value of the property listed as security must also be provided upon request.

## **Breach of Contract/Penalties**

In the event the contractor fails to provide service in accordance with these specifications and stated requirements, the contractor will be considered in breach of contract. This may result in cancellation of the contract and/or enforcement of contractor's performance bond.

## **Training Programs**

1. The contractor must ensure that drivers and aides are properly trained to perform their duties, which must include, at a minimum, the training requirements listed at NJSA 18A:39-19.1a and NJAC 6A:27-11.3. This training requirement must be completed twice each calendar year.
