

Tomlinson Modified Dress Code Policy

2018-19

For all students, no logos, graphics, designs, or text may appear on any of the listed clothing items. **Clothing should not be worn inside out in an effort to conceal logos, graphics, designs, or text.** Undergarments should not be visible. There is no restriction on shoes, socks, accessories, or winter coats as long as all meet standard LPS Dress Code requirements. Gender-specific stipulations are as follows:

BOYS

- Polo type shirt or crew neck t-shirt (no v-neck): any solid color.
- Sweaters, cardigans, jackets, and hoodies: any solid color (no logos, graphics, designs, or text). Clothing should not be worn inside out in an effort to conceal logos, graphics, designs, or text.
- Pants and shorts: black, gray, navy blue, and khaki of a twill like material, no denim jeans or athletic material.

GIRLS

- Polo type shirt or crew neck t-shirt (no v-neck): any solid color. Girls should wear an additional solid colored shirt if cleavage is visible. Undergarments should not be visible.
- Sweaters, cardigans, jackets, and hoodies: any solid color (no logos, graphics, designs, or text). Clothing should not be worn inside out in an effort to conceal logos, graphics, designs, or text.
- Pants and capris: black, navy blue, gray, and khaki of a twill like material; no denim jeans or athletic material.
- Skirts and shorts: black, navy blue, gray, and khaki of a twill like material; no denim jeans or athletic material. Skirts and shorts should be knee-length (such as Bermuda) in both front and back.
- Leggings are considered as an accessory. Any color legging may be worn **under** skirts, but **MAY NOT** be worn by themselves as pants.

LPS Dress Code Requirements still apply, e.g. sagging pants and cleavage. School shirts may be worn on any day with the approved pants/shorts/skirts.
