Kings River Union Family & Community,

It is with great sadness that our Pioneer Family announces the passing of a very special person. Mrs. Eunice Quiring, passed peacefully in the evening on May 29, 2023 surrounded by her family. Mrs. Quiring has served the children and families of Kings River Union for the past 39 years, she has positively impacted and influenced the lives of so many Pioneers. We are all blessed to have known her and to have experienced her smile, her kindness, and her pure love of ALL children.

We believe parents should talk with their children about an event as significant as the death of an important adult in their life. Therefore, we will not be sharing this information with the TK through fifth grade students. However, we do plan to gather the 6th – 8th grade students at approximately 1:30 p.m. today to inform them of Mrs. Quiring's passing. If you would prefer your student NOT be told of this news, please contact the office or you are welcome to pick up your children prior to 1:30 p.m.

Kings River Union will have additional support staff onsite and available for students, parents, staff, and the community to help process our grief and emotions. They will be onsite today and Wednesday. Grief Resources will be made available to everyone.

We will update the community about memorial services as that information becomes available.

Sincerely,

Sherry Martin, Superintendent
