Preparing *self-directed* and *resourceful* learners able to thrive in a global community.

This graph compares Mora Public School's MCA test scores to the state's average.

Exploring. Engaging. Empowering.

"The schools provide great opportunities for students academically, extra curricular and individualized needs are met "  
- Mora Schools Parent

# Mora Public Schools ISD 332

Mora Public Schools is a leader in East Central Minnesota. From preschool and early childhood education through elementary and high school, Mora Schools provides a personalized education for ALL students.

Mora Schools offers low class sizes and is a leader in academics, athletics, and fine arts opportunities. Mora Elementary has been selected a "School of Excellence" for its academic achievement. Mora High School has been recognized as one of "America's Best High Schools" and provides students opportunities to earn college and technical college credits, along with Career and Technical Education courses. The Mora ALC has a reputation of being a strong leader in alternative education.

I encourage you to consider Mora Schools for your student's school of choice.

Superintendent, Dan Voce

## Mora Public Schools is an innovative leader.

Academics are one of Mora's most important strengths.

I love how the staff is always so happy and they make the school such a fun environment to be in.  
-MHS 10th Grader

The staff are huge motivators for students and I think our staff members are so good at what they do. The community makes us feel like one Mustang family.  
-MHS 9th Grader

There is a sense that this is a team effort. That all areas care about the success of others.

Exploring. Engaging. Empowering.
