

SECLUSION AND RESTRAINT

- 1) The Beresford School District will notify the parent or guardian of the student, unless the student is emancipated, of an incident requiring the use of restraint or seclusion. This will be done within the school day if school is in session that day.
- 2) No employee of the Beresford School District will use the method of prone restraint, defined as physical pressure applied to any part of the student's body to keep the student in a face down position on the floor or other surface, except when that use is necessary and reasonable in manner and moderate in degree.
- 3) No student will be placed in involuntary confinement in a locked room alone unless there is a clear and present danger.
