

## ANNUAL NOTIFICATION TO PARENTS

The School Board seeks to keep students, parents, and the public informed of their rights and responsibilities. The district will comply with federal law to ensure that annual notices on the following topics are given as required by federal law:

- All notices as required by the Every Student Succeeds Act;
- All notices as required by the Family Educational Rights and Privacy Act;
- All notices as required by the Protection of Pupil Rights Amendment;
- All notices as required by Child Nutrition Programs;
- All notices as required by the Asbestos Hazard Emergency Response Act;
- All notices as required by the McKinney Vento Act;
- All notices as required by Non-Discrimination under Title IX, Section 504, Age Discrimination Act, Title II of the Americans with Disabilities Act.
- All notices as required by the Individuals with Disabilities Education Act.

### Method of Notice

The District shall give the notices in the manner required by federal and state law. Should federal or state law not specify the manner in which notice is to be given, the District may publish the notice in the legal newspaper, post the notice on the District's website, or mail the notice through the U.S. Postal Service. The parent or guardian of any student, or an emancipated student enrolled in the District, may opt to receive any notifications or correspondence from the District by electronic mail in lieu of regular mail if the parent, guardian or emancipated student provides to the school an electronic mail address to which the notifications or correspondence are to be sent.
