FAMILY NIGHT / SUNDAYS & HOLIDAYS

Wednesday evenings are set aside as student family night in our community. There will be no school activities after 6:00 p.m. on Wednesday evenings unless there are special regional or state events scheduled beyond local school control.

Sundays and holidays are to be considered family time. No school activity practices or school meetings with students are to be held on Sunday or a holiday without special administrative permission.

To obtain this special permission, the supervising head instructor/coach must apply to the administrative team prior to the anticipated practice/meeting date.
