

# Hello!

My name is Susanne Valach. I am the activities secretary, a special education aide and the lunch lady here at BCHS. This is my seventh year at the school. You may also be able to find me at volleyball where I'm starting my first season as the head coach after coaching the JV team for three years.

I was born and raised here in Dillon and graduated from BCHS in 2008. I then attended the University of Montana Western and graduated in 2011 with a business degree. After finishing my volleyball career, I was the assistant coach at Western for three years. I love being a part of BCHS again and living life to the fullest here in Dillon.

I can be reached at the school at 683-2361 or by email at [srehse@bchsmt.com](mailto:srehse@bchsmt.com).
