

Harrisburg School District	NEPN Code: KM
Policy Manual	

RELATIONS WITH COMMUNITY ORGANIZATIONS

Any time an organization within the school has been requested by an organization outside the school (church groups, civic organizations, service clubs) to put on a program of any type, arrangements must first be made through the school administration. No program should be planned or scheduled without first consulting the Principal, or in his/her absence, the Superintendent, and getting their permission. Dates on the master calendar take preference over all other events scheduled.
