I grew up in Superior, Montana. I completed my undergraduate degree in Secondary Education with an emphasis in Business Information and Technology Education at the University of Montana in 1999. In 2013, I earned my Master's degree from the University of Montana in Educational Leadership.

My son and I moved to Dillon in 2000. I love Dillon and all the great opportunities it has to offer myself and my family. I love the outdoors, hiking with my dog, kayaking, playing on my paddle board and camping with family and friends.

This year I start my 20th year in education, 19 of those at Beaverhead County High School. I love teaching and am very excited to share my love of education with the many students in my classroom.

Please stop by and visit with me if you have any questions or concerns as we navigate through the 2018-2019 school year.
