2022

EVENTS &  
GUIDELINES

## JUNE 6 - AUGUST 19

### - Event Guidelines -

All programs require registration. You can register through Eventkeeper on our website, or by calling the library at 781-344-2711. Registration will begin for all programs on June 6th, 2022.

All of our programs are at the Stoughton Public Library unless otherwise noted..

### - Program Guidelines -

Teen Summer Reading is available to those in grades 6-12. The minutes a teen reads will be entered into Beanstack, an online reading log accessible from the library website, which will allow participants to read and complete challenges to earn raffle tickets for prizes. Books which are read for school can be counted both for the school and the public library summer reading program.

For students in the Stoughton schools who participate via Beanstack, we will share their name and grade with the School system to let them know they participated in the Summer Reading Program.
