Grade 1 and 2 HarborOne Presentation

Hello Hawks- We had a great week at the HHH! We celebrated **100** days of school! Our HHH Student Council sold HEARTS ♥ during lunch blocks. We had visitors to grades 1, 2, and 5. Grades 1 and 2 attended a presentation called Savings Makes Sense by HarborOne. Grade 5 participated in the Neponset River Watershed Association's water program in support of the MA State Science Standards that focused on drought, water restrictions, and water pollution.

Tonight is our Family Event! The annual Glow Dance will take place in our cafeteria from 6:00-7:30. All Hawks must be accompanied by an adult. There will be light refreshments for sale, as well as Hawk Gear.

If you would like to purchase gear online, please use this link: [HAWK GEAR ORDER FORM](#)

♥ Please check out this link for more information about Tuesday, February 14th: [Valentine's Day at the HHH](#)

Lastly, make sure to sign up for **conferences** that will take place on Thursday, March 2nd. The link was sent early this week.

Have a wonderful weekend- enjoy the beautiful weather!

Mrs. Feeney and the Hawks
