The winner of the HHH March Book Madness is...

Hello Hawks- We had another great week at the HHH! We are very lucky to have such hard-working and happy Hawks. Today, grades 1 and 2 participated in the voluntary math fact competition and they rocked it! Our grade 4 Hawks worked very hard on their ELA MCAS- #HawkStars! We will continue to SHOW WHAT WE KNOW throughout the next few weeks. Next week, our grade 5 Hawks will be taking MCAS on Tuesday and Wednesday. Please make sure all Hawks are rested and ready for the day!

From the HHH PTO:

The PTO is sending home paper for ART TO REMEMBER today. If your student is interested in participating, have them draw, paint or color on the provided paper. The name goes on the back. We have included a sheet with instructions that you can also find in your folder. **Art to Remember** will then put together a gallery of items you can purchase, at your election, within a few weeks. Please return the art to the school no later than Thursday, April 13th. The PTO will post some examples of art work on their facebook page if you would like to check out more. Questions? Please contact the PTO at ptohansen@gmail.com

Happy Passover and Happy Easter to all who celebrate! Enjoy the beautiful weather and enjoy time with friends and family!

💛Mrs. Feeney and the Hawks
