

Happy Friday
3/10/2023

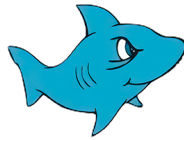

Hello South School Shark Families and Friends -

It appears we had a technical difficulty last week with our communication software. I apologize that families did not receive the updates. Our Happy Friday today will cover last week and this week! Happy Friday!

Over the past two weeks, we had our February Student of the Month assembly and also had a special performance from one of our students, Ekaksha Joga, who recently participated in the SPS Student Showcase. One highlight of this week was that Grade 2 had a Medication Safety Assembly with representatives from across the district. Additionally, the Elementary schools are getting together for a multicultural event on Monday, April 3rd. Flyers went home this past week and an electronic version can be found below. Please see the Updates from the PTO section below for some additional notes!
