The first place Ali wanted to visit in Mecca was the 1 \_\_\_\_\_ which contained the famous 2 \_\_\_\_\_. When Mohammed conquered Mecca, he turned the Kaaba into a 3 \_\_\_\_\_, a place for Moslems to worship.

When Mohammed was 25, he married a 4 \_\_\_\_\_ and took over the job of running her businesses. One night while meditating, he fell asleep in a cave and was visited in a dream by the 5 \_\_\_\_\_.

The pilgrimage would be made during the Moslem month of 6 \_\_\_\_\_, the month when journeys to 7 \_\_\_\_\_ were generally made.

He was trying to memorize the entire holy book which contains 114, 8 \_\_\_\_\_ or 9 "\_\_\_\_\_".

Ali was very proud of the fact that he now could use the title of 10 "\_\_\_\_\_" which means 11 "\_\_\_\_\_".

Ali and his two companions walked around the Kaaba 12 \_\_\_\_\_ times then 13 \_\_\_\_\_ the Black Rock as tradition demanded. Ali knew that the Koran required that every Moslem pray 14 \_\_\_\_\_ times a day.

This journey became known as the 15 "\_\_\_\_\_" and all Moslems date their 16 \_\_\_\_\_ from this event to 17 \_\_\_\_\_ AD.

Never in his whole life had he seen so many people of 18 \_\_\_\_\_ and 19 \_\_\_\_\_.

Ali covered his head and took off his 20 \_\_\_\_\_ as a sign of respect for 21 \_\_\_\_\_. There were no 22 \_\_\_\_\_ or 23 \_\_\_\_\_ of Mohammed on the walls because these would be regarded as 24 \_\_\_\_\_.

In Mina, Ali took part in an ancient ceremony called 25 "\_\_\_\_\_".
