

LFSD Strategic Planning Committee 1/11/23

EQ: Where do we want our School District to be in five years and how will we get there?

Meeting Protocols

Remembering that our one focus is student achievement. Our meeting expectations are:

-Stay positive

-Look for ways to contribute

-Avoid deficit energy

-Respectful use of electronics and sidebars

Let's celebrate our ability to creatively and responsively problem solve in a cooperative manner.

8 Tips for Implementing a Strategic Plan

- 1) Be clear on where we are going.
- 2) Take a simplified approach that creates clarity.
- 3) Establish strategic direction through multi-year planning.
- 4) Constantly assess the environment.
- 5) Be flexible, iterate, and adapt.
- 6) Rely on data and metrics for objective progress points.
- 7) Work effectively across teams.
- 8) Embrace learning from failure.

Breakout

In your group discuss:

Which of these tips align with things we do or have done in the District?

In which of these areas can we do better?

Activating Strategy!

Jot down the answers to the following with regards to the current Strategic Plan:

Priority Area 1- _____.

Priority Area 2- _____.

Priority Area 3- _____.

What are the three questions we ask to determine the impact any initiative or expense has on the strategic plan?

EQ: Where do we want our School District to be in five years and how will we get there?

Activating Strategy!

Strategic Priority Areas:

Priority Area 1- Academic success for every student.

Priority Area 2- Partnerships with families, communities, and businesses.

Priority Area 3- School facilities, culture, and climate.

What are the three questions we ask to determine the impact any initiative or expense has on the strategic plan?

Q1) With which priority area(s) of the strategic plan does the event align?

Q2) How is the event expected to impact the priority area(s)?

Q3) How will I measure success?
