*The vision of the Lake Forest School District is to be the model of excellence in education.*

May 8, 2023

Dear Lake Forest Community:

It is with great enthusiasm I thank you for your show of support in passing the 2023 Lake Forest School Operating Referendum, Saturday May 6<sup>th</sup>. By voting for this referendum you have demonstrated how much you value a Lake Forest education and recognize the importance of this experience for the future of our community.

Your vote Saturday provides the Board and Administration the ability to plan effectively for the future of the District. Moreover, this referendum directly provides for improvements in school safety and security, staff recruitment and retention, allows us to provide essential technology, and to keep the maximum number of buses on the road. We understand the sacrifice you have made in service to the District and pledge to use these much-needed resources wisely and strategically.

On behalf of the staff, Administration, and Lake Forest Board of Education, we are humbled by your show of confidence and we thank you for this sincere show of support. We look forward to a great end of this school year and the bright future you have created for the students of Lake Forest. Thank you and I look forward to seeing you on a Lake Forest Campus soon!

Sincerely,

*Steven Lucas*, Superintendent
