Superintendents Report:

Mr. Holbeck has been at the Annual Superintendent's Conference- discussion arose regarding SPED funding, graduation requirements adopted by State Board of Education.

New code requirement for buildings- requiring tornado shelters, much are more geared for hurricane shelters, which are difficult to achieve as the formula involves more students than we will have capacity for, need restrooms, separate ventilation controlled by auxiliary power and no vents or windows where anything could make a direct path into the room.

Administrator/Committee Reports:

Activities- 23 days till first soccer match- 45 days to Tiger Bowl
