

**Wiscasset School Department – MacBook
Laptop Protection Program
2018-19**

The Wiscasset School Department offers an optional laptop protection program for parents. As per our Laptop Take Home Guidelines:

Replacement costs and/or repairs for damages that occur to the laptop and its carrying case while it is signed out are the sole responsibility of the parent/guardian. Replacement cost for a laptop is \$699. Intentional physical damage will not be covered under the laptop protection plan. This includes damage from food or drink which will be deemed intentional damage and will not be covered by the protection plan. Student’s parent/guardian will be responsible for the full repair cost.

This Laptop Protection Plan will protect the laptop for many items that are not covered by the warranty and will limit your financial responsibility to \$100 deductible in the event of a claim.
