

SCHOOL BUS

ATTENTION PARENTS

Out of the concern for the safety and well-being of our student's, Williams County School District is asking that parents be present to pick up their student/s from school bus stops. If you wish for District #8 to release your student to walk home from a pool stop we ask that you fill out the following form giving District #8 permission and release liability to do so. Without prior written permission, student/s will not be released from school bus to walk home.

If you would like your student to walk home from his/her stop please fill out the information below and return this document.

I give permission to Williams County School District #8 to drop the following student/s off at their pool stop, allowing them to walk home. I release the District of any liability associated with the safety and well-being of the involved student/s once they have been dropped off.

Student Name

School Attending
