The school bus expectations are designed and enforced for your safety. Bus stop times are times of bus departure and buses are ONLY allowed to stop at designated stops according to state law, the bus will NOT be making any undesigned stops for students or parents. You are asked to be punctual to designated bus stops and do not loiter in nearby businesses. Students MUST be picked up and dropped off at the same bus stop each day.

Students do have the privilege to eat on the bus, but said privilege can be taken away at any time by the bus driver. Please clean up all messes or the whole bus will lose food privileges. High school students are reminded to be respectful to the bus driver and other students traveling to and from school. Any Student may be denied/suspended transportation if they disrespect the driver.
