Occasionally, I will collect and officially grade assignments. There will be project(s) and they will be introduced and discussed well in advance of due dates. ## Standard and Course Scoring Procedures

See the [BFA Student Handbook](#), pp. 8-11 for a clear and concise explanation of scoring procedures for this year. *This link will also provide valuable supporting documentation for many other aspects of expectations.*

**Assessments:** Each unit of study will consist of the following assessment strategies outlined below.

1. **Formative (PRACTICE) Assessments**: Students will be engaged in a variety of reading, writing, speaking, listening, vocabulary activities, both in class and as homework, which will guide and inform the learning as we go, and will prepare students for their summative assessments. The more students engage in these formative practices, the more likely they will be successful on the summative assessments.
2. **Unit (Summative) Assessment**: Students will be assessed in a variety of ways, after guided practice, in Speaking, Listening, Reading, and Writing activities. Students will have the opportunity to redo/retake an assessment if not proficient **if they have demonstrated active engagement** in the formative assessments leading up to the summative.
3. **CULTURE Projects**: These will be assigned at various times throughout the year. They are integral parts of our learning and must be completed along with the other tasks to achieve overall proficiency in the class at the end of the year.

**Redo/Retake Opportunities: Up to two weeks\*** after an assessment has been returned. Extra help sessions will be provided as needed to ensure success. ***Students need to show effort for this opportunity—the option to retake/redo is not an automatic ‘given’.*** This will be monitored through homework and practice work leading up to scored assessments. *\*Extenuating circumstances can change this time frame.* **Availability for Extra Help and Make-ups:** During Enrichment, before and after school...

**Make-Up Policy:** When absent, it is a student's responsibility to find out what was missed (within two days of returning to school) and to complete the assignment or make up the missed assessment in as timely a way as possible (2 weeks). **When absent, I expect an email from the student, that day, asking what s/he missed**

**COURSE OUTLINE: Here is a general survey of topics that are generally covered in Latin 2:**

Continuation of Speaking—Restored Classical Pronunciation (recitations, Google Voice); additional basic sentence structures (Indirect Objects, more prepositions, clauses, embedded subjects); Parts of Speech, cont'd; Declension (Accusative PL, Dative S, PL, Abl PL) Conjugation (Imperfect, Perfect tenses); daily life of a family in Pompeii—from Romans' views of Slavery, Death/Funerals, gladiators, the Baths, Education, Politics, to the eruption of Mount Vesuvius and the destruction of Pompeii.
