

Barbara Clark Memorial Scholarship

The Barbara Clark Memorial Scholarship was created by her family to recognize both the academic and extracurricular achievements of BFA seniors. Barbara was a St. Albans florist and business owner for 36 years who missed very few BFA extracurricular events; supporting her children, grandchildren, and their classmates. She exemplified the attributes of determination, loyalty, and an unyielding competitive spirit; all characteristics that need to be exemplified by the scholarship recipients. Recipients of this award must have a 3.0 Grade Point Average or better and have been active participants in both organized youth and high school extracurricular activities.
