

Ed Brehaut Memorial Scholarship

Athletics, in many forms, was incredibly important to Mr. Brehaut (Coach B). From a young boy through college he played soccer, baseball, football and basketball. He started sports programs in schools and communities, coached hundreds of girls and boys in baseball, basketball, and soccer. He refereed and umpired throughout the state as well. He was a teacher and Principal for many years, mostly at SATEC. Coach B was a staunch supporter of all student athletes, following his students, children and grandchildren throughout their athletic careers. BFA held a special place in his heart and that is why we set this Memorial Scholarship fund up in his name to support 2 student athletes from BFA. We are looking to give \$500- scholarships to 2 students who exhibit many of Coach B's personality traits.

Application (Please fill out in pen.)

Athlete's Name_____

Sport/s Played_____

How have sports impacted your life?

Who inspired you as a young student athlete?

What are three words that describe you?

How does athletics inspire you?

Have you been involved in any community service projects or clubs? If so, what are they?

What are your plans for the future?

Coach B was a kind and supportive coach, teacher, mentor, husband, father, and friend. How are you supportive to others and how will you continue this throughout your life?
