

Colby Pattee Memorial Scholarship

About our Scholarship

Colby Pattee was an outgoing 11-year-old that was taken from us way to soon. He loved soccer, baseball, hunting, fishing and hanging out with his friends. Colby loved using his hands either building something or helping his family with the farm animals, sugaring or cutting wood. Colby loved helping whenever needed, whether helping his teachers or fellow students in school, or on the playing field. The Colby Pattee Memorial Scholarship was formed to help those wishing to better their future by enrolling in a trade/technical school. We will be awarding 2 scholarships of \$500.00 each to a Franklin county Vermont senior continuing their education in a trade/technical school. A check will be distributed in the student AND Schools name once we have verified their acceptance into the school

Please Keep in mind the following guidelines:

1. Student please attach a minimum of 3 references from a school staff member, coach or relevant professional
2. Student has demonstrated good leadership throughout their high school career.
3. Student please attach a 200-word (Maximum) essay of why you are choosing this trade.

Send Completed paperwork to:
Colby Pattee Memorial Scholarship
659 Courser Road
Enosburg Falls, VT 05450

No later than May 15th of your graduating year
