

## ARE YOU A WOMAN INTERESTED IN CONSTRUCTION TRADES?

**Metro Omaha Builders Association's Professional Women's Council has created a scholarship for women pursuing the trades!**

### **Purpose of this scholarship:**

Encourage and assist women in obtaining an Associates Degree in construction related trades and to increase the number of women in our community in the home building industry.

This scholarship may cover required course materials including books and tools.

### **Criteria for Earning Scholarship**

- Must be enrolled in a post-secondary accredited trade program and must maintain satisfactory academic standing throughout your program
- Must be enrolled in 3 or 4 quarters a year
- Provide transcripts of last academic year
- Provide a brief essay or video detailing:
  - Academic and career goals
  - Any information on community involvement, volunteerism, and any leadership roles
  - How you plan to use your education to give back
  - Reasons you should be awarded this scholarship

**Applications must be received online or postmarked by March 15, 2023.**

- Email to: [info@moba.com](mailto:info@moba.com)
- Mail to: Metro Omaha Builders Association, 2637 S 158th Plaza, #250, Omaha, NE 68130

**Scholarship will be awarded April 2023**

**Ask your counselor for more information**
