Safety and Security

Things WE Can Do {daily, weekly, etc...}

➤ As Individuals

- Mentally Plan---Expect the best but plan for the worse!
 - 3-Words {Run-Hide-Fight}
 - Discuss scenarios
 - Think about scenarios--What would I do if?
 - What is a strength about your classroom? What is a weakness?
 - Greatest tool/weapon we have---Our Brain!
 - Be alert to surroundings----Keep Your Radar on!

Safety & Security

➤ As a School & Staff

- Philosophy {Run-Hide-Fight}
- Stress & Communicate--“If you know something---Say Something”
- Do not tolerate Bullying, Harassment, etc... {address it, report it, contact parents, but don't ignore it}
- Respect all students (students should feel valued and supported)
- Build a professional, positive relationships with all students
- Conduct drills
- Keep exterior doors locked
- Proactive & Prevention vs Reactive
- Classroom doors and windows
 - Locks engaged? Do you have something to cover the window with?

Safety & Security

- As a Staff, School & District
 - Examine strengths and weaknesses of the school and system
 - Door blocks
 - Additional social-emotional support for students
 - School Resource Officer
 - Better communication systems {internal/external}
 - Better control at entrances
 - More training/drills {Lock-In, Lock-Down, Evac}
 - Review/update Emergency Preparedness Guide & Procedures
 - Relationship with Law Enforcement Agencies
 - Allocation of resources
 - Future facility expansion planning

RUN-HIDE-FIGHT

Safety & Security

➤ As a staff member

- Do whatever it takes to keep students alive.
- Stay calm and be in control of your area
- Protect the lives of your students {get them out, get them safe, prepare to fight}
- The further you are away from BAD things.....the better.
- The more you have between you and BAD things....the better.
- Lock doors/block doors/defend doors
- Survive by all means possible
