Exhibit (1) – Notice to Parents / Guardians, Students and Teachers

Parents/Guardians, Students, and Teachers:

Pursuant to Education Code 35186, you are hereby notified that:

1. There should be sufficient textbooks and instructional materials. That means each student, including an English learner, must have a textbook or instructional material, or both, to use in class and to take home.
2. School facilities must be clean, safe, and maintained in good repair.
3. There should be no teacher vacancies or mis-assignments. There should be a teacher assigned to each class and not a series of substitutes or other temporary teachers. The teacher should have the proper credential to teach the class, including the certification required to teach English learners, if present.

Misassignment means the placement of a certificated employee in a teaching or services position for which the employee does not hold a legally recognized certificate or credential or the placement of a certificated employee in a teaching or services position that the employee is not otherwise authorized by statute to hold.

Teacher vacancy means a position to which a single designated certificated employee has not been assigned at the beginning of the year for an entire year or, if the position is for a one-semester course, a position to which a single designated certificated employee has not been assigned at the beginning of a semester for an entire semester.

If you choose to file a complaint alleging that any of the above conditions is not being met, your complaint will be addressed through the district's Williams Uniform Complaint procedures as required by law. A complaint form may be obtained at the school office or district office, or downloaded from the school or district web site. You may also download a copy of the California Department of Education complaint form from the following web site: <http://www.cde.ca.gov/re/cp/uc>. However, a complaint need not be filed using either the district's complaint form or the complaint form from the California Department of Education.

1. Textbooks and instructional materials: (Education Code 35186; 5 CCR 4681)

A student, including an English learner, does not have standards-aligned textbooks or instructional materials or state- or district-adopted textbooks or other required instructional materials to use in class.

A student does not have access to textbooks or instructional materials to use at home or after

___ A student was provided photocopied sheets from only a portion of a textbook or instructional material to address a shortage of textbooks or instructional materials.

2. Teacher vacancy or misassignment: (Education Code 35186; 5 CCR 4682)

___ A semester begins and a teacher vacancy exists. A teacher vacancy is a position to which a single designated certificated employee has not been assigned at the beginning of the school year for an entire year or, if the position is for a one-semester course, a position to which a single designated certificated employee has not been assigned at the beginning of a semester for an entire semester.

___ A teacher who lacks credentials or training to teach English learners is assigned to teach a class with more than 20 percent English learners in the class.

___ A teacher is assigned to teach a class for which the teacher lacks subject matter competency.

3. Facilities conditions: (Education Code 17592.72, 35186, 35292.5, 35292.6; 5 CCR 4683)

___ A condition exists that poses an emergency or urgent threat to the health or safety of students or staff including gas leaks; nonfunctioning heating, ventilation, fire sprinklers, or air-conditioning systems; electrical power failure; major sewer line stoppage; major pest or vermin infestation; broken windows or exterior doors or gates that will not lock and that pose a security risk; abatement of hazardous materials previously undiscovered that pose an immediate threat to students or staff; structural damage creating a hazardous or uninhabitable condition; and any other condition deemed appropriate by the district.

___ A school restroom has not been cleaned or maintained regularly, is not fully operational, or has not been stocked at all times with toilet paper, soap, or paper towels or functional hand dryers.

___ For a school that serves students in any of grades 6-8, the school has not, at all times, stocked and made available and accessible free of cost, an adequate supply of menstrual products in every women’s and all-gender restroom, and in at least one men’s restroom.

___ The school has not kept all restrooms open during school hours when students are not in classes and has not kept a sufficient number of restrooms open during school hours when students are in classes. This does not apply when temporary closing of the restroom is necessary for student safety or to make repairs.

Please describe the issue of your complaint in detail. You may attach additional pages and include as much text as necessary to fully describe the situation. For complaints regarding facilities conditions, please describe the emergency or urgent facilities condition and how that condition poses a threat to the health or safety of students or staff.
