Picture Retake Day is Monday October 24 The Zones of Regulation are a framework for self-regulation and emotional control. Zones of Regulation are a way for students (and grownups!) to figure out what they are feeling by putting their emotions into a colored zone. There are four zones: blue zone, green zone, yellow zone, and red zone. Our bodies act differently in every zone. All the zones are okay, but we want to try to be in the green (Ready to Learn) zone most of the time, especially when we are at school. Sometimes when we are in the blue, yellow, or red zones we need to use a tool to get back to the green (Ready to Learn) zone. Each classroom has a "Chill Zone" with different tools that students can use to help them return to the green zone so that they are ready to learn for the rest of the school day!

Holiday Food Baskets

The 2022 Holiday Food Basket Signup starts October 15

Every year, CAPSC provides Thanksgiving and winter holiday food baskets to those in need. Hundreds of baskets are distributed each year. Our baskets are filled with a variety of items that will fill a holiday table and lift the hearts of our neediest families.

What's in the basket?

Our typical holiday basket includes nutritious foods that will provide a complete holiday meal for a family of four, and will include items such as:

- Whole frozen turkeys (or a gift card equivalent)
- Stuffing mix
- Gravy mix
- Cookie or dessert mixes
- Cans of sweet potatoes or green beans
- Fresh vegetables

Please note: We offer two separate distributions for the Thanksgiving holiday and the winter holidays. You can specify if you would like to sign up for one or both.

To sign up for this year's program, call us at (603) 435-2500, ext 8136.
