Hello ERS Families!

May is end-of-year benchmark testing month. Throughout May, all students in grades K-5 will be administered the DIBELS end-year test to assess reading fluency and other basic literacy skills. Over the course of the month, all students in grades 1-5 will also be taking the NWEA math and reading tests

(see calendar below for your child's specific NWEA testing days). Please help your child be best prepared to demonstrate his/her ever-strengthening academic skills by reminding him/her of the following tidbits for testing success:

Get a good night's sleep so you are rested and ready to show all you know!

Eat a good breakfast so you have energy to do your best!

Keep a positive attitude--you CAN do this, and you WILL!

**And don't forget these Test-Taking Tips:**

## Test-Taking Tips

**Read the question first!**  
Guide your reading--know what you're looking for!

**Break it down!**  
Split words you don't know into syllables so you can read them more easily!

**Eliminate ridiculous answers!**  
Get rid of answers that don't make sense!

**Prove it!**  
Look back in the text to find the evidence for your answer!

**Twice is nice!**  
Double-check your answer!
