

Nancy Loud School Costume Parade

Friday, October 28th at 9:00 am on the NLS field

Students will have the choice to wear costumes and parade around the field. Parents and families are welcome to join in watching the students parade. We will also have a short dance party on the field after the students have paraded around the field.

To ensure that everyone is safe during this event, please read over the following costume guidelines for the parade.

- Masks can only be worn during the parade.
- Any weapon accessories must stay at home.
- Please wear safe footwear with your costume.
- Students will need to change out of their costumes after the parade, so please make sure to have them wear clothes underneath or send in a change of clothes that they can change into, independently.
- School staff are not responsible for putting on makeup or keeping track of a student's costume.
- Students are responsible for keeping their costume safe and intact.

Please reach out to your child's teacher if you have any questions.

Thank you,
Ms Baczewski
