9160- PUBLIC ATTENDANCE AT SCHOOL EVENTS

The Board of Education welcomes the attendance of members of the community at athletic and other public events held by the schools of the district and acknowledges its duty to maintain order and preserve the facilities of the district during the conduct of such events.

The Board may bar the attendance of any person at a school event whose conduct constitutes a disruption. The Board prohibits the possession and consumption of alcoholic beverages at any function sponsored by the district, and, further, prohibits wagering on school premises.

Guest Passes for Senior Citizens

Senior citizens of the district, persons fifty-five years of age or older, may be given a senior citizen guest pass, which shall permit them to attend all activities of the school district free of charge. These events are to include all activities held in the school buildings and all activities held on school grounds (athletics events).

The Superintendent shall assign the responsibility for the accounting and control of senior citizens passes.
