SUBJECT: 2018-2019 PRESCHOOL EDUCATION EXPANSION AID (PEEA) ONE-YEAR OPERATIONAL PLAN

Dear Dr. Taylor:

In accordance with the Notification of Funding Opportunity issued by the New Jersey Department of Education, Division of Early Childhood Education (DECE), the Willingboro Public School District submitted an application to receive Preschool Education Expansion Aid (PEEA), including the required One-Year Operational Plan and Budget Workbook for the 2018-2019 school year. Based on a thorough review, we are pleased to notify you that Willingboro's application is approved for funding. Congratulations!

The Willingboro Public School District will receive \$779,824 in PEEA. With this and other funding, the district indicates that it will serve 275 full-day general education preschool children in 2018-2019. Please note that PEEA is intended to fund only general education students. Preschoolers with disabilities, regardless of whether they are served in self-contained or inclusive settings, are supported through the district's special education funding system. PEEA is based upon your approved projected enrollment.

The DECE will provide professional development and technical assistance geared toward the implementation of high-quality preschool programming, including site visits, webinars and conference calls. Your district liaison will be contacting you in the coming weeks to discuss next steps to assist you with your planning.

If you have any questions, please email doeearlychild@doe.nj.gov or contact the Division of Early Childhood Education at (609) 376-9077. Thank you.

Sincerely,
