PRINCIPAL'S MESSAGE

Hello Panthers and Parents,

It has been a great year to learn and grow. We have had a lot of challenges, but I'm so proud of our students! We have worked and played hard and I'm so excited to see the progress we have made. I will miss our "graduating" fifth graders. I know they will be successful because they have shown grit and perseverance here at Fielding. Everyone have a fun and safe summer and please, please, please, continue to read. There are a number of reading programs available, online, from the state, and our local libraries. Remember, for class placement next year, your student will receive a postcard from their teacher at the first of August. Thank you for all of your support this year. I love Fielding!!!

COUNSELOR MESSAGE

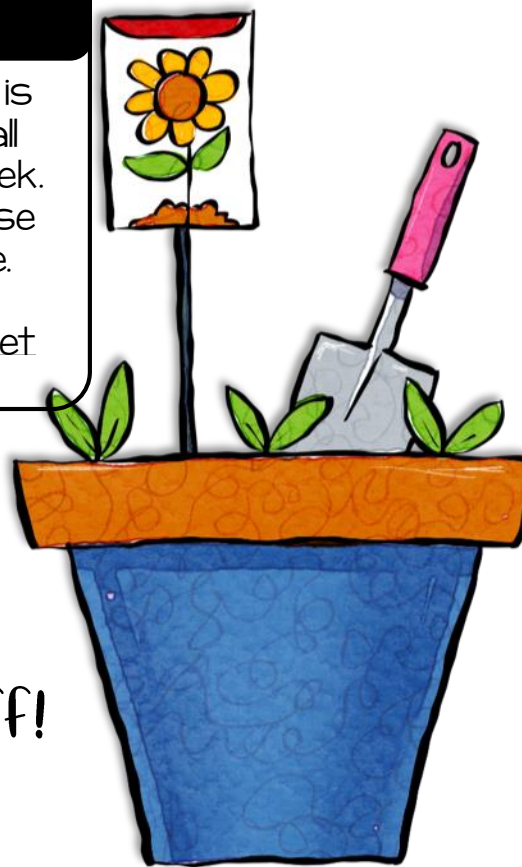

As the year comes to an end, I can't help but be excited for our students for accomplishing another school year of learning and growing. My hopes is that they have learned a skill or two to better self-recognize and self-manage strong emotions. I know I've seen many students practicing that this year and it makes me happy.

Best of luck to our amazing 5th grade students who will venture on to Harris Intermediate. I know they will make Fielding proud and we hope they look back at their grade school days with a smile.
