

# Student Registration

---

## INFORMATION AND LINKS

This year, parents must request transportation through the Edulog parent app in order for students to be eligible for bus transportation. Step-by-step instructions and a video tutorial can be found in passport under the busing link. **By completing the registration process you acknowledge that you understand you must request transportation for a student in order for them to ride a bus.**

### District Assessment Information

There are several assessments used in the schools. Please make sure you read and understand which assessments each of your students will have.

## Student Insurance

Student Accident Insurance is available and may be obtained.

**Student Accident Insurance** Our school/district has selected the Student Insurance Plan from K&K Insurance Group to make reliable coverage available to parents. If you don't have other insurance, this plan may be a resource to consider. Additionally, even if you have other coverage, this plan can help fill expensive "gaps" caused by deductible and co-pays. Coverage may be purchased at any time during the school year by visiting [www.studentinsurance-kk.com](http://www.studentinsurance-kk.com).
