Absences from school for family activities or non-school sponsored activities approved by parent or guardians must be pre-arranged through Bear River High School Administration. If you will be gone for a club activity have your advisor sign off and email [ashley.brown@besd.net](mailto:ashley.brown@besd.net) the dates. Pre-Arranged absences protect students from being considered truant from school and the resulting consequences. Pre-Arranged Absences will not count towards attendance points. Students are expected to see what work they need to complete to not get behind.
