Agenda/planner use: Must do a better job of writing down assignments and utilizing planners. It is not just a hall pass. We want you to be organized and learn to use a calendar to keep track of assignments, write down reminders, and record grades. Your teachers will be talking with you more about this expectation.

SAT Word of the day is Impede which means to get in the way or hinder. There are strict rules against a fielder impeding the progress of the base runner. Students it's important that you don't allow a negative attitude to impede your ability to be successful at school!
