Dear Student:

Would you like to be part of Harvard University's **LEARN WITH LEADERS** Program this summer while still a student at the New Rochelle High School?

Does engaging in stimulating conversations with students attending Ivy League schools i.e.: Harvard, MIT, or Yale sound interesting?

Did you ever wonder what it takes to have a career in medicine, law, being an entrepreneur, working in international relations, coding and technology or preparing an Ivy League college application?

If you are a current 9 - 11 grade student, and you are passing your courses and like to be challenged academically, consider LEARN WITH LEADERS, a 12 hour career exploration program which will be offered at the high school this summer. [Click this link](#) for a full description of each program with the dates and times. Complete the enrollment form linked [here](#) with your parents/guardian in order to secure your placement. Classes will be presented remotely by an Ivy League instructor. You will attend your sessions on-site at the high school supported by district faculty. Reading assignments will be required and class participation is expected.

This is an excellent opportunity for you to gain a full understanding of the exceptional careers and opportunities that await you in the future. Students who complete their course will receive a **Recognition of Participation Certificate from Harvard Student Agencies**, an affiliate of Harvard University. What a wonderful addition to your resume for college!

Don't delay, classes will be offered on a "first come, first serve" basis! If you have questions, please reach out to Dr. Roshan Bjhowani (rbhowani@nredlearn) or Dr. Charles Coletti (ccoletti@nredlearn.org). You may also contact your guidance counselor to discuss this great opportunity!
