Hi! We are the English Learner Team from Kent City Schools. Our team serves PreK-12 students who are learning English as a second language or sometimes even a third or fourth! KCSD's EL students speak a variety of languages from Arabic to Chinese to Tajik. There are as many as 20 different languages (other than English) spoken by our students and their families. We support our students in the classroom, working with them one-on-one, and in small groups. Our goal is to help students be successful in and out of the classroom.
