

August 2022,

Dear Students, Parents, and Friends of Theodore Roosevelt High School,

It is my pleasure to welcome everyone back for another great year at Theodore Roosevelt High School! It will be an exciting start to the school year with all of the wonderful additions, renovations, and air conditioning. We cannot thank the Kent community enough for the investment they have made in our high school.

Our staff is excited to see our returning students and to meet and build relationships with our new students. We are blessed to have great students, parents/guardians, staff, and community. When we believe that everyone has the ability to learn at high levels and when we work together in an inclusive environment, all of our students will benefit.

To ensure all of our students achieve at high levels, we will continue to behave in ways that are a reflection of ***The Rough Rider Way***.

The Rough Rider Way

- As **RESPECTFUL** members of the Kent Learning Community, we hold ourselves in high esteem and set high expectations for all. We relate positively toward others and our school. We treat others the way that we would want to be treated.
- As **INCLUSIVE** members of the Kent Learning Community, we embrace all people regardless of race, gender, disability, medical or other need and we provide students with equal access to opportunities and resources. We listen as an ally, link others together, greet people authentically, build trust, and speak up when others are excluded.
- As members of the Kent Learning Community, we believe in **DIVERSITY** and we will focus on representing all. We will embrace our differences and seek to understand what others need. We will respect others' differences.
- As members of the Kent Learning Community, we strive for **EQUITY**. We create fair policies, programs, and situations in our school so all groups can thrive. We seek to reduce race and gender barriers to learning and we accommodate learning styles and disabilities.
- As members of the Kent Learning Community, we are **RESPONSIBLE** and accountable for our actions. We honor commitments, we are consistent, honest, fair, dependable, and we work collaboratively at developing our full potential.
- As members of the Kent Learning Community, we **SERVE** as we contribute to the welfare of others. We listen, we are aware, we are empathetic and we are concerned, cooperative, and supportive.

Once again, welcome back! Let's make this another great year at Theodore Roosevelt High School. It is a privilege and an honor to be a part of a community that cares so deeply for its young people. Thank you for your support and dedication.

Respectfully,

Dennis Love
