Fantastic Second Week

Classrooms and small learning communities are in full swing here at Butteville Elementary. We encourage you to check in with your child about how they like their new setting and to communicate any questions or concerns directly with the classroom teachers. We pride ourselves in teaching the whole child and would love your feedback! Also, Spanish is now offered weekly for K-8 students for all of our "Amigos."

School Safety

We are proud to announce that the whole BES staff has been trained in Active Shooter Response by Echo Whiskey Tactical Training. There will be two additional training days for staff this year. The whole school evacuation to the off campus rendezvous site had to be postponed due to construction. All students were successfully evacuated to the Bus Parking Lot, Area D.

We will be working on installing exit perimeter gates along the campus East and South fence, followed by the North and West fence.

Enrichment

Enrichment began Tuesday, September 4th. We thank you for your program request forms in Performing Art, Art, Band, and Strings. If you have any questions or concerns about your child's placement, please contact Mr. G.

RTI

RTI is one of BES' methods of teaching students where they're at, is flexible, and productive. The program began on Monday K-6th grades and is in full swing. If you have any questions about your child's grouping, please contact their teacher directly.
