

ELLSWORTH SCHOOL DEPARTMENT

CURRICULUM, INSTRUCTIONS, & ASSESSMENT COMMITTEE

The role of the Curriculum, Instruction, & Assessment (CIA) Committee is guided by ESD policies IGA (Curriculum Development and Adoption), IL (Evaluation of Instructional Programs), and IJJ (Instructional and Library-Media Material Selection. Consistent with the provisions of those policies, the Committee is charged with forwarding administrative proposals for the selection of instructional materials and library-media materials and in serving, on behalf of the Board, as a conduit for learning about curriculum instruction, and assessment methods, initiatives, materials, and data from across the district. In both roles, the CIA Committee is charged with providing feedback, asking clarifying questions, and requesting additional information prior to forwarding an administrative proposal to the full Board for consideration or communicating with the full Board about these topics.
