

## Letter from the President

Dear Families,  
On behalf of the PTO, we would like to welcome everyone back to school. The Highland PTO is here to serve and support the students and teachers of Highland Community Schools grades K-12. We strive to meet the needs through volunteering and funding.

### PTO Programs & Fundraising

Our primary objective as a PTO is to provide our school with funds, programs, resources, and services that will enrich and maximize the education of every child and to benefit the school. To meet this important objective, we fundraise, and we give back!

### Become a Volunteer... Why YOU should get involved!

For the PTO to be effective and truly representative of the school, it is essential to have parental involvement from as many parents as possible. Many working parents feel that they cannot be included in the PTO because they cannot come to every meeting or be on campus during the day. There are endless possibilities in ways you can help. Whatever your own level of flexibility, Highland PTO always appreciates their parent volunteers, as does our teachers and staff. For more information, please email me [kgeneralski@gmail.com](mailto:kgeneralski@gmail.com).

Warmest Regards,  
Kristy Generalski, PTO President

## Box Tops

Did you save your Box Tops over the summer? We hope you did! You can start sending them in. With a little help of all parents, grandparents, and other relatives and friends we will make it into a wonderful Box Tops year again. Let's go for it and collect as many Box Tops for our schools and students! Thank you for your help!
