

HHS Parents and Guardians,

We are roughly halfway through 1st quarter of the school year and hope your student is off to a great start at HHS. As a reminder, 1st quarter midterm grades will be available after 3:00 pm on Tuesday, September 11 by accessing PowerSchool. We will no longer send individual midterms and quarterly report cards home through email as PowerSchool allows parents and students to gain immediate access to grades. Throughout the year, reminder messages will be sent home alerting parents when midterm and quarter grades are available for viewing. Please visit the following link to obtain access to your child's midterm grades via Powerschool:

<https://ps.highlandcusd5.org/public/>

If you are having trouble accessing PowerSchool or need additional assistance, please call the HHS office at 654-7131 with questions or concerns.

Educationally yours,

Dr. Chris Becker
