

PUBLIC PARTICIPATION AT BOARD OF EDUCATION MEETINGS

The purpose of a school board meeting is to transact the legal business of the school district through discussion and voting among the members. At each regular meeting a time is set aside before the business is conducted to allow community members and/or district employees an opportunity to address the Board on matters of interest.

Individuals addressing the Board are expected to adhere to the following guidelines:

- Any person addressing the Board is expected to conduct themselves with respect and civility toward others and abide by Board policy, 8:30, *Conduct of Visitors on School Property*. Failure to do so will result in removal from the premises.
- A public participation form must be completed by individuals wishing to address the Board of Education. The form should be completed and returned to the Board Secretary prior to the start time of the meeting. The public participation form can be obtained from the Board Secretary at the meeting site 30 minutes prior to posted start time of the meeting.
- The public participation form can also be completed prior to the meeting date and start time by contacting the Board Secretary (Mary Galvin/477-4700) at the District Office.
- Any person addressing the Board must identify themselves when it is their opportunity to speak.
- Any person addressing the Board is allowed a maximum of 5 minutes to speak unless otherwise arranged in advance.
- Any person addressing the Board must accept the President's decision to determine procedural matters regarding public participation not otherwise covered in School Board policy.
