Mission Statement

The mission of the Prenatal to three program is to provide parents with the knowledge to recognize they are the child's first teacher. Parents will have the awareness of their child's needs to provide quality and early opportunities to gain the skills needed to become responsible, productive citizens and lifelong learners.

The PFEC Pantry

At PFEC, we realize times are tough and some of our families may need a little extra help with groceries after the holidays. Starting in January and while supplies last, PFEC will be offering a food pantry. All requests for assistance will be completely confidential. Requests may be made through our birth-to-three and preschool family educators. See contact information below.
