## May Activity

- For your baby: Your baby loves to hear your voice and enjoys time bonding with you. Talk, sign and read to you baby, they are taking it in and growing from these interaction with you.
- For your toddler: Toddlers learn new things everyday. They are learning by watching the people around them and helping with everyday task. The task maybe small to you but its big for them. Ask them to help you and watch their faces light up.
- Remember to have fun and make memories!

## Book of the month

With summer month approaching and the kiddos being out of school take a moment to visit the Pekin Library. They have lots of summer reading activity and more for kids of all ages.

## Mission Statement

The mission of the Prenatal to three program is to provide parents with the knowledge to recognize they are the child's first teacher. Parent's will have the awareness of their child's needs to provide quality and early opportunities to gain the skills needed to become responsible, productive citizens and lifelong learners.

We want to give a huge Thanks to our partners at Loving Bottoms in Galesburg. Without their team we would not be able to help families receive diapers monthly.

## The PFEC Pantry

At PFEC, we realize times are tough and some of our families may need a little extra help with groceries after the holidays. Starting in January and while supplies last, PFEC will be offering a food pantry. All requests for assistance will be completely confidential. Requests may be made through our Prenatal to Three and preschool family educators. See contact information below. Call or Text
