Once on the User List page, having already created your child, you can now click on “Order” in the tool bar to begin ordering lunches.

Lunches need to be ordered at least 3 days in advance to ensure the store has sufficient supplies on hand. Any ordering within 3 days will be limited to Turkey sandwiches. It is our recommendation to order your lunches for your child on Fridays before the upcoming week, but lunches can be ordered as far in advance as you may wish. If your child is absent on the day a lunch has been ordered, your account will be credited for the unused lunch, as the school will communicate to Buona Beef these circumstances at the end of each week.

October 2018

After clicking on “Order,” you will be directed to the weekly menu. It will appear in calendar form as seen above. All you need to do is click on the item listed, entrees are in blue and sides are in red.

Each item you click will allow you to identify the cost of the item and offer the opportunity to determine the quantity you wish to order in a box such as the one to the left. Once you have identified the quantity, click on “Add to Cart.”
