This form must be completed by each trained employee observing the driver suspected of drug use and/or alcohol misuse by behavior, speech and/or odor while on duty, the earlier of within twenty-four hours of the determination of reasonable suspicion or prior to receiving the test results. The observations must be specific, contemporaneous and articulable concerning the appearance, behavior, and speech and body odor of the driver.

An example of an appropriate observation statement is, "The driver entered the bus barn slowly and held onto the bus until the driver reached the bus door," rather than, "The driver came to work stoned and could not walk without holding onto the bus for support."
